

GENERAL

- 1-1 SCOPE: SPECIAL CONSTRUCTION PROVISIONS are intended to provide additional descriptions for conditions that are included or are applicable to this contract.
- 1-2 OWNER: The owner of this project is the City of Fountain. In conjunction with the Owner, the Engineer will conduct bidding and construction observation for the project. The Owner's contact person is Michael Fink, whose telephone number is 719-322-2088.
- 1-3 ENGINEER: The Engineer for this project is NV5, Inc. The Project Manager is Brian W.W. Thomasen, whose telephone number is 303-220-6463.
- 1-4 COMPLETION OF THE WORK: The Owner will require that all of the work be completed within the following specified time.

The Contractor will be required to begin all work within 30 days after the date of the NOTICE OF AWARD. If the Contractor has not begun work within the specified time, the Contractor shall be liable for liquidated damages or the Owner can select the next lowest bid.

The Contractor will be required to begin all work within 10 days after the date of the NOTICE TO PROCEED. All of the work shall be completed within 120 calendar days after and including the date of the NOTICE TO PROCEED.

If all Work is not completed on or before the date fixed for completion, or as may have been extended by the Engineer, the Contractor shall pay to the Owner liquidated damages in accordance with Paragraph 21 of the GENERAL CONDITIONS. The amount of the liquidated damages shall be \$5,000 per day for each and every consecutive calendar day that the Work is incomplete after the date set for completion.

- 1-5 GEOTECHNICAL INVESTIGATION: A subsurface investigations (soil borings) has been completed for this project and is available for reference. It shall be the Contractor's obligation to inspect the soil conditions and/or water levels prior to submitting a bid. By submitting a bid, the Contractor acknowledges that he has satisfied himself as to the nature of the work including, but not restricted to, the soils conditions affecting construction of the work, handling and storage of materials, disposal of excess materials and level and amount of surface water and groundwater. The Contractor shall be responsible to obtain any subsurface information deemed necessary for construction of this project.

- 1-6 MATERIALS FURNISHED BY OTHERS: The Owner shall furnish no Work and no Materials for this project.
- 1-7 BID ALTERNATE: A bid alternate will be allowed for the flexible pavement section. Alternate shall ensure that all other bid items needed for the installation are provided.
