RE: Sensory Friendly Night at Fountain Fire Department

Fountain, Colorado – On Friday, April 27, 2018, the City of Fountain Public Safety Department will be hosting an Autism Awareness night at Fire Station #1.

Kids will be able to try on fire gear, sit in a fire truck or police car, and meet the Public Safety Team. Members of the Police Department's Rapid Response Team will be putting on a demonstration and Officer Moore will be demonstrating the Police Department's drone.

This exciting event will take place from 5:00 p.m. until 6:00 p.m., at Fountain Fire Station #1, 811 N Santa Fe Ave. Demonstrations will begin at 5:00 p.m. and lights and sirens will not go on until 5:45 p.m. There will be plenty of warning before any lights or sirens go on so those families who do not want to be present will have plenty of time to leave before any loud or startling noises occur.

This is a free event and it is open to families who have a child or children on the autism spectrum.

If you have any questions, please feel free to call Lisa Schneider at 719-382-6928.
