RE: Update - Auto Glass Repair Fundraiser

Fountain, Colorado – On Saturday June 30, 2018, the Fountain Police Department served a spaghetti dinner, hosted by the First United Methodist Church, to benefit the citizens of Fountain who did not have the financial means to replace or repair their vehicle's glass. Through this fundraiser, we were able to raise approximately \$3,500 in donations.

Over the last three weeks, officers have identified those in need of window repair by calls for service, referrals and in-person contact. As of this week, we have begun contacting those individuals and we will attempt to help as many as possible with our window provider, Lighthouse Auto Glass. We will be providing updates as we finalize the needed repairs.

The Fountain Police Department wants to thank **First United Methodist Church, St Dominic Catholic Church, All-Star Pizzeria, Advantage Logistics** and **Lighthouse Auto Glass** for giving back to their community. Without them this would not be possible.
