RE: Fountain Utilities Power Outages

Fountain, Colorado - With the storm setting in, it's possible many Fountain Utility customers will experience prolonged power outages while crews face treacherous conditions working to restore power. Please follow us online for the latest updates on power outages and tips to prepare you and your family at:
https://www.fountaincolorado.org/government/city_departments_divisions/utilities/utilities_departments/electric/outage_information.

To report an outage, contact our Customer Service Center at (719)322-2010.
