

KN95 MASKS

January 20, 2022

[FOR IMMEDIATE RELEASE]

Release #0122-001

We understand The Colorado Department of Public Health and Environment announced free KN95 masks would be offered at various locations throughout Colorado. At this time, the City of Fountain Fire Departments have not received any masks to hand out to the public.

We will make sure to inform our citizens if that changes. Here is a link you can use to find a list of locations offering the free masks: <https://covid19.colorado.gov/freemasks>
