**RE:** Road Closures – Public Service Announcement

---

**Fountain, Colorado** – The City of Fountain has been notified that on Saturday November 18<sup>th</sup> and Monday November 20<sup>th</sup>, the railroad will be conducting traffic island construction and signal reconstruction at the West Ohio Avenue and Comanche Village Drive railroad crossings. This will effect vehicle traffic patterns and crossing times as trains approach and travel through our city.

There are no exact time frames for the closures or completion of these construction projects at this time.

Please find alternate routes of travel in that area. The City of Fountain appreciates your patience during these upgrades to the railroad crossings. Thank you!
